Your reference: Grant no. BRC 07/2023 dt. 17 May 2023

Dear Dr Rudra,

Thank you for your proposal of an academic collaboration to bring your valuable collection of rare Vaishnava journals within the research focus of digital humanities. We accept your proposal with a sense of privilege, and look forward to our two institutions working together.

The grant you propose is acceptable to us: thank you very much. We can work out the detailed aims and methodology of the project through further discussion. The fact that the journals have already been digitized is a great advantage.

Our project staff will be in touch with your colleagues at the Bhaktivedanta Research Center to examine the material.

With thanks and kind regards,

Yours sincerely,

Abhijit Gupta
